

UK Summer Camp:

New Plymouth Centre

One of our four new UK centres for 2012 is based at the prestigious Plymouth College founded in 1877. Close to the centre of the bustling maritime city and surrounded by picturesque country views, this single campus site offers a truly English boarding school experience. Plymouth is situated on a stretch of beautiful coastline in the South West of England. Its historic maritime past is preserved Within its ancient harbour.

The sports facilities at Plymouth include an indoor sports hall, squash courts, extensive sports fields and an indoor swimming pool. The whole site is exclusive to St Giles Summer and can accommodate students aged from 10 to 17 years of age.

Excursions from this centre will include the Roman spa town of [Bath](#), the [Eden Project](#) and even an excursion to London with an overnight stay.

Summer Plus Option: Sailing

This year we will be offering a number of Summer Plus options for your students. At Plymouth, students have the chance to take sailing lessons in the sheltered water of Plymouth Bay.

There is no age restriction and students of all abilities and experience are welcome to take classes from complete beginner to advanced sailor*.

Students taking part in the summer plus sailing option will be taught by instructors from the prestigious Royal Western Yacht Club in Plymouth. The Yacht Club was founded in 1827 giving it a rich maritime history. Students will be using Mirrors, Fevas or Pecos boat types depending on ability. Combining morning English classes with exhilarating afternoon sailing classes offers an experience of a lifetime. Spaces are limited so be sure to encourage students to book as early as possible in order to avoid disappointment.

**A minimum pre-intermediate level of English is required for the Summer Plus Sailing option*
